Families

A healthy way to bring the whole family together on a Cycling Adventure! With safe routes & plenty of excuses to stop at historic sites, family restaurants & even some craft shops where "Ship it" is the order of the day, your family holiday will be a lasting experience for your children

Circuit Tours

Enjoy regional tours with the use of a mini bus to transfer between Scenic locations & stay with you while cycling.

Bike Hire

No need to worry about shipping & all the other issues with transporting your bike to Ireland. Allow us provide excellent hire bikes as required for your tour.

Ireland is one of the beautiful countries to bike around in the world. With patient drivers, fragrant meadows & miles of side roads, mountain tracks & coastal routes. A true paradise for the avid cyclist. Perfect for families, clubs or just the middle of the road tourist who wants to experience Ireland from a perspective very little known about in more conventional tours.
