Considering the difficulties of acquiring the ,Time , Staff & Experience required to hold even quite simple events it is no wonder that Businesses & Government agencies choose AIV Services for technical support. From layout design to the nuts & bolts we have the people contacts & knowledge to deliver your Event.

With our Logistical history we can provide transfers at all levels. Our connections to the Hotel Industry allow preferred rates & service. Our unique ability to provide trade & craft support sets us apart. We have Set Carpenters, Sign Printers, Audio Visual Technicians & professional personalities from National Media who can act as MC.

If you are planning an Event from a professional display at a national or local Show-ground to a product launch in a Capitol Hotel we would love to help you save money & time.
